+ Export approval.

— Export not approved.

E 1979–80 bobcat export enjoined by U.S. District Court, District of Columbia.

E(1) As above but for eastern portion of State.

E(2) As above but for high plains ecological area.

(b) *Condition on export:* Each pelt must be clearly identified as to species; State, Indian Tribe, or Indian Nation of origin; and season of taking by a permanently attached, serially numbered tag of a type approved by and attached under conditions established by the Service. Exception to tagging requirement: finished furs and fully manufactured fur products may only be exported from the United States when the State, Indian Tribe, or Indian Nation export tags, removed from the hides used to manufacture the product being exported, are surrendered to the Service at the time of export. Such

tags must be removed by cutting the tag strap on the female side next to the locking socket of the tag so the locking socket and locking tip remain joined.

## § 23.54

(b) Condition on export: Exporters must clearly identify each pelt as to species, State or Indian Nation of origin, and season of taking by permanently attaching a serially numbered tag of a type approved and provided by the Service and attached under conditions established by the Service. Exception to the tagging requirement: We will allow the export of fully manufactured fur or hide products from the United States only when the CITES export tags removed from the hides prior to manufacture are surrendered to us prior to export. Such tags must be removed by cutting the tag straps on the side next to the locking socket of the tag, so that the locking socket and locking tip remain joined.
